NEWTON singer Rick Astley was due to appear on Top of the Pops last night, Thursday, after his continuing success in the charts.

Rick's record, "Never Gonna Give You Up", now stands at number 14, after entering the charts last week at number 32.

Now his agents, David Anthony Promotions of Warrington, are lining up other television appearances for the 21-year-old former Selwyn Jones High School pupil.

A spokesman said: "Although the contracts have not been signed yet, we are expecting him to appear on the Terry Wogan show soon."
